Please make the check out to St. Wenceslaus Cafeteria.** Please forward these payments to your child's homeroom teacher.

If you have a returning student, their Lunch Account ID number is the same as last year. Those students new to the Hot Lunch Program will receive their numbers on the first day of school. Each child will be required to enter their four digit number into the computer each time they purchase a meal.

The Salad Bar will be available to those students in grades 6 – 8 and to all adults. The Salad Bar is **ONLY** available **Monday – Thursday. IT WILL NOT BE OFFERED ON FRIDAY.** These students and adults may choose **either** Hot Lunch or Salad Bar, not both.
