

LABELS & LIDS – WHAT TO SAVE...

CAMPBELL’S - NEW PROCEDURES – Save the UPCs on the labels (or save the whole label & we’ll cut out the UPC). *Campbell’s will no longer accept the front panel.* Save lids from V8 and Prego products and UPCs from Swanson, Market Day, Franco-American and Pepperidge Farms, which are all Campbell’s brands. Our school receives about \$500 in FREE school equipment each year with the Campbell’s product labels.

OUR FAMILY – Save the UPCs from any OUR FAMILY products, each worth 5 cents for our school. The UPC code always starts with a “70253”. OUR FAMILY products can be found at NO FRILLS and BAG N SAVE stores.

GENERAL MILLS BOX TOPS – Save the Box Tops from all participating General Mills products, *including the bonus Box Tops.*

TYSON PROJECT A+ - Save the labels from participating Tyson products, each worth 24 cents for our school.

RONALD MCDONALD HOUSE CHARITIES – Save your beverage tabs. Our school is working toward collecting 1 million tabs to gain membership in the “Thanks A Million Club”. We delivered about 75,000 tabs last year! The tabs are turned into cash for operations for the Ronald McDonald House.

Place all collected items (sorted by company) in the collection bins in the main hallway of school or in the kiosk in church vestibule. Ask family and friends to help collect! *Thank you for all your collecting efforts and the additional funds it provides our school!*

If any questions, contact Andrea Barton at 333-0415, Sheila Diamond at 431-0428, or Cody Everett at 876-3567.
